

**Amendments to the Claims:**

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims:**

Claims 1-75 (canceled).

Claim 76 (New):      A shoe treatment kit comprising:

- a) an article of manufacture comprising a treating composition for treating one or more shoes comprising one or more benefit agents in a package in association with instructions for use, wherein the instructions direct a consumer to directly or indirectly apply at least an effective amount of the treating composition to provide one or more desired benefits to the one or more shoes;
- b) a flexible container suitable for holding one or more of the shoes; and
- c) an outer package containing the components a) and b).

Claim 77 (New):      The shoe treatment kit according to claim 76, wherein the article of manufacture includes an applicator;

the flexible container comprises a bag;

the flexible container is resusable; and/or

the kit further comprises a post-wash article, optionally comprising a treating composition comprising a release agent, and optionally, a film-forming polymer.

Claim 78 (New):      The shoe treatment kit according to claim 77 wherein the applicator permits application of the treating composition directly onto the one or more shoes by squeezing and/or rubbing and/or pouring and/or spraying.

Claim 79 (New): The shoe treatment kit according to claim 77 further comprising a pre-wear article, optionally comprising a treating composition comprising a release agent, and, optionally, a film-forming polymer.

Claim 80 (New): The shoe treatment kit according to claim 78 wherein either or both of the pre-wash and post-wash articles are in the form of a wipe impregnated with their respective treating composition.

Claim 81 (New): The shoe treatment kit according to claim 76, wherein the applicator comprises a brush for applying the one or more treating compositions onto the one or more interior or exterior surfaces of the one or more shoes.

Claim 82 (New): The shoe treatment kit according to claim 76, wherein the treating composition is in a solid form.

Claim 83 (New): The shoe treatment kit according to claim 81 wherein the solid form comprises a tablet.

Claim 84 (New): The shoe treatment kit according to claim 76 wherein the flexible container includes a treating composition for treating one or more shoes comprising one or more benefit agents to provide one or more desired benefits to the one or more shoes.

Claim 85 (New): The shoe treatment kit according to claim 76 further comprising at least one additional article of manufacture comprising a treating composition,

wherein each article of manufacture comprises at least one benefit agent not included in the other articles of manufacture.

Claim 86 (New): An article of manufacture comprising a treating composition for treating one or more shoes comprising one or more benefit agents in a package in association with instructions for use, wherein the instructions direct a consumer to directly or indirectly apply at least an effective amount of the one or more benefit agents to provide one or more desired benefits to the one or more shoes.

Claim 87 (New): An article of manufacture comprising at least one conditioning treating composition for treating one or more shoes and at least one cleaning treating composition for treating one or more shoes, each composition comprising one or more benefit agents and provided in a package in association with instructions for use, wherein the instructions direct a consumer to directly or indirectly apply at least an effective amount of each composition to provide one or more desired benefits to the one or more shoes.

Claim 88 (New): An article of manufacture according to claim 87 further comprising at least one post-wash treating composition for treating one or more shoes comprising one or more benefit agents in a package in association with instructions for use, wherein the instructions direct a consumer to directly or indirectly apply at least an effective amount of the post-wash treating composition to provide one or more desired benefits to the one or more shoes.

Claim 89 (New): An article of manufacture according to claim 87 further comprising a bag.
